To Whom It May Concern:

I am happy to write this letter of recommendation for Mike Eidlin, Homeowners Handyman Service.

He has completed projects in my house, both large and small, ranging from rebuilding a bathroom, repairing a roof, and restoring deteriorating eaves and external columns to hanging shelves. I have always found him responsive, clean, and quick. You know when he is finished he has done it right.

He is resourceful, for example, he finds ways of compensating for obsolete, unattainable parts, in order to make old fixtures work.

In the seven years I have known Mike Eidlin, he has always delivered what he promised, expertly and on time. I would unhesitatingly turn to him with trust and confidence.

Sincerely,

A. _____
