To Whom It May Concern:

I have known Mike Eidlin, owner of Homeowner's Handyman, for the past 6 years. I hired him at various times throughout the years to complete many jobs too difficult for myself.

He was always courteous, prompt and very professional. Mike always did the work "the right way", he never did it half-way. In addition, he was very thorough in explaining the material costs as well as the labor costs, associated with the job.

I strongly recommend Mike Eidlin if you need a good handyman. Please feel free to call me for further information.

Sincerely,
